Dear Parent/Carer

Maths Revision Event – Tuesday 7 March 2017

In order to support our Year 11 students with their Maths revision we are holding an event for parents/carers and students on Tuesday 7 March.

2016 saw the introduction of a new mathematics specification graded 9-1 in place of the A*-C grades. As a consequence of these changes we are hosting the session to familiarise students and parents with the new style of examination as well as providing guidance on how to tackle certain questions. The session will start at 6.00pm and will last approximately two hours.

At the end of the session, we will be offering wine and cheese in the restaurant, and parents/carers will have the opportunity to discuss further support options, or revision strategies with our Maths specialists.

Can you please indicate your attendance by completing the slip below and return it to reception.

Yours sincerely

E Meakin

Mrs E Meakin
Assistant Principal
