Dear Parent/Carer

Parents/Carers' Forum

At Landau Forte Academy QEMS, we are always trying to improve the way in which we communicate and work with parents and carers. We know just how valuable your feedback, ideas and expertise are to the academy and so we are currently undertaking a review of how we engage with you and increase your involvement in school life as part of our new Parents/Carers' Forum.

The objectives of the Parents/Carers' Forum are:

- To support the behaviours, progress, attainment and welfare of all students
- To provide a channel for communication between the academy and parents/carers
- To deploy the wide range of professional expertise and skills of parents/carers as volunteers for school activities such as after school clubs, motivational speakers, work experience placements and other activities
- To consider and recommend future innovations and ideas
- To seek positive feedback and identify areas of further improvement from parents/carers on developments such as Show my Homework, Go4Schools, Home School Contracts, Positive Behaviours Policy etc.

All up-to-date letters from QEMS staff about important information, events and parents' evenings etc. will also be accessible via our Forum.

We would like to invite you all to complete the attached questionnaire so that we can begin to understand which parents and families can and would be keen to support some of our additional, extracurricular opportunities at QEMS. This might include helping students with their reading, careers guidance or one-off workshops on new skills.

For those who would like to get involved, please could you complete the questionnaire attached and return to the academy office by Monday 5th June for the attention of Grace Powell. You can also email Grace Powell PA to the Interim Senior Associate Principal GPOWELL@lfatq.org.uk or phone the academy if you would like further information.

Yours sincerely
