

TASTER DAYS AT SSC

LICHFIELD CAMPUS

Come along and experience a real taste of what life is like as a South Staffordshire College student.

MONDAY 18TH & WEDNESDAY 20TH FEBRUARY 2019
THE FRIARY, LICHFIELD, STAFFORDSHIRE, WS13 6QG
ALL SESSIONS TAKE PLACE FROM 9.30AM - 3:30PM

Taster Days at South Staffordshire College, are designed for Year 10 and Year 11 students. They provide students with a fantastic opportunity to find out more about our courses and is an excellent way to help you make a more informed decision about your future.

Throughout the day you will explore the campus, find out about the courses you are interested in, get involved with fun activities during the taster sessions and meet the tutors. If you are not sure of which path to take, why not choose a different session on another day at another campus and compare the two!

Whatever your interests, a taster day can provide you with the opportunity to experience a variety of courses first hand. All subjects will include practical activities, so please make sure you wear suitable clothing and footwear.

FREE ACTIVITIES- BOOK NOW

MONDAY 18TH FEBRUARY

Photography

Get a snapshot of life at the college's photography department where you will get the chance to demonstrate your digital photography skills with a studio shoot and get to know what to look for in developing your own photography portfolio.

Media

Work in our TV and film studio operating cameras and bring ideas to life within our film and TV workshop.

Art & Design

Learn about our creative arts subjects and get a taste of some creative craft in our ceramics room by working with clay.

Business

Experience the world of business and entrepreneurship. You will create your own product and with the help of experienced tutors develop a marketing plan.

TUESDAY 19TH FEBRUARY

Performing Arts

Join us in our acting and dance workshop where you will be taking part with some of our own students in a performance.

WEDNESDAY 20TH FEBRUARY

Music

You will get a chance to explore the music departments recording studios where you will play and record a tune on a drum kit as well as mix a range of audio projects in our MAC labs. You will also get a chance to interact with emerging technologies that include new webcam samplers and band performances.

BOOK YOUR TASTER SESSION

If you would like to book onto one or more of our taster sessions please register and book your place by calling...
