

# TASTER DAYS AT SSC

## TAMWORTH & TORC CAMPUSES

Come along and experience a real taste of what life is like as a South Staffordshire College student.

**MONDAY 18TH, TUESDAY 19TH & WEDNESDAY 20TH FEBRUARY 2019**  
**TAMWORTH CAMPUS (B79 8AE) & TORC CAMPUS (B77 2HJ)**  
**ALL SESSIONS TAKE PLACE FROM 9.30AM - 3:30PM**

Taster Days at South Staffordshire College, are designed for Year 10 and Year 11 students. They provide students with a fantastic opportunity to find out more about our courses and is an excellent way to help you make a more informed decision about your future.

Throughout the day you will explore the campus, find out about the courses you are interested in, get involved with fun activities during the taster sessions and meet the tutors. If you are not sure of which path to take, why not choose a different session on another day at another campus and compare the two!

Whatever your interests, a taster day can provide you with the opportunity to experience a variety of courses first hand. All subjects will include practical activities, so please make sure you wear suitable clothing and footwear.

**FREE ACTIVITIES- BOOK NOW**

## MONDAY 18TH FEBRUARY - TAMWORTH

### Health & Childcare

You will have the opportunity to take part in a range of fun practical activities for the caring industry from healthy eating to beating the bugs!

### Beauty Therapy

An opportunity to see practical hand and nail treatments demonstrated by tutors. You will then get to have a go.

### Electrical

Experience the world of electricians in the state of the art electrical workshop where you will have the opportunity to work with the cable systems, tools and test real electrical circuits. Safety boots and overalls will be required for safety reasons inside the workshop area.

### Hairdressing

Opportunity to see practical hair styling skills including plaiting and braiding demonstrated by tutors and then have a go.

### Public Services

An action packed day of team building, managing a simulated crime scene, managing a major incident/disaster, using walkie talkie radios to manage the incident and learn campcraft and expedition skills.

### Travel & Tourism

Have a go at real life cabin crew demonstrations using the safety equipment used on-board. Make a cabin announcement to board your flight and ensure your passengers are safe before take off.

## TUESDAY 19TH FEBRUARY - TORC

### Construction

Enjoy a very practical and exciting 'hands on' day where you will get the opportunity to experience some of the construction trades we have on offer. The day will include painting, decorating and tiling. You must wear suitable clothing such as boots, old clothes or overalls.

## WEDNESDAY 20TH FEBRUARY - TAMWORTH

### Engineering

Experience virtual welding, CAD (Computer aided design), manual machining and CNC machining in the state of the art engineering facilities at Tamworth campus. Boots and overalls will be required for safety reasons.

### Hospitality & Catering

An action packed day working with professionally trained chefs, to learn how to make fresh bread and how we can turn this into a delicious pizza that you will be able to take home with you.

### Business

Experience the world of business and entrepreneurship. You will create your own product and with the help of experienced tutors develop a marketing plan.

### Car Mechanics

Enjoy a fun packed day inside the state of the art motor vehicle workshop where you will work under the bonnet of real cars doing maintenance on the engines, brakes, steering and exhaust systems. Boots and overalls will be required for safety reasons.
