

TASTER DAYS AT SSC

CANNOCK CHASE SKILLS & INNOVATION HUB

Come along and experience a real taste of what life is like as a South Staffordshire College student.

TUESDAY 19TH & WEDNESDAY 20TH FEBRUARY 2019
THE GREEN, CANNOCK, STAFFORDSHIRE, WS11 1UE
ALL SESSIONS TAKE PLACE FROM 9.30AM - 2:30PM

Taster Days at South Staffordshire College, are designed for Year 10 and Year 11 students. They provide students with a fantastic opportunity to find out more about our courses and are an excellent way to help you make a more informed decision about your future.

Throughout the day you will explore the campus, find out about the courses you are interested in, get involved with fun activities during the taster sessions and meet the tutors. If you are not sure of which path to take, why not choose a different session on another day at another campus and compare the two!

Whatever your interests, a taster day can provide you with the opportunity to experience a variety of courses first hand. All subjects will include practical activities, so please make sure you wear suitable clothing and footwear.

FREE ACTIVITIES - BOOK NOW

TUESDAY 19TH FEBRUARY

Health & Childcare

You will have the opportunity to take part in a range of fun practical activities for the caring industry from healthy eating to beating the bugs!

Engineering

Experience virtual welding, CAD (Computer aided design), Manual machining and CNC machining in the state of the art engineering facilities at Tamworth campus. Boots and overalls will be required for safety reasons.

Construction

Enjoy a very practical and exciting 'hands on' day where you will get the opportunity to experience some of the construction trades we have on offer. The day will include painting, decorating and tiling. You must wear suitable clothing such as boots and overalls.

WEDNESDAY 20TH FEBRUARY

Business

Experience the world of business and entrepreneurship. You will create your own product and with the help of experienced tutors develop a marketing plan.

Electrical

Experience the world of electricians in the state of the art electrical workshop where you will have the opportunity to work with cable systems, tools and testing real electrical circuits. Safety boots and overalls will be required for safety reasons inside the workshop area.

BOOK YOUR TASTER SESSION

If you would like to book onto one or more of our taster sessions please register and book your place by calling...

0300 456 2424
