Dear Parent/Carer

## Introducing SAM Learning

At Landau Forte Academy QEMS we are always looking for ways to extend our pupils' learning. Part of our improvement programme involves the use of SAM Learning, a unique online service that offers multiple subjects. Studies show that pupils achieve 2 GCSE grades on average better than expected with as little as 10 hours or more use of SAM Learning. We will be offering further details and training in the coming months, however in the meantime we are encouraging staff and students to start using as soon as possible.

### Access Details

Students are able to access the service at anytime and anywhere, whether they are at school, at home or in the Library– and it works on any device, from smartphone to home PC. All you need to do is visit the website and enter the unique login details:

Website address: [www.samlearning.com](http://www.samlearning.com)

<b>Centre ID:</b>	<b>B79LF</b>
<b>User ID:</b>	<b>Date of birth followed by two initials: first name then last name. Example: 010804DJ is the User ID for David Jones born 1<sup>st</sup> Aug 2004.</b>
<b>Password:</b>	<b>Initially same as your User ID, you are encouraged to change this to something difficult to guess.</b>

It is advised that you keep a record of your access details.

### Getting Started

When students first log in, they will be able to set up their own Avatar – which they can customise, as they complete challenges – as well as link with their friends to compete in challenges. Subject teachers will show students how to use the service and they might wish to show you how it works. The service enables homework to be set and marked online, which means students can easily see how well they are getting on.

We hope that students are able to take full advantage of SAM Learning and wish them the best of luck in their studies.

Yours sincerely
