

Welcome Back

Years 10 and Year 12

Information for our students and parents

Dear all,

During the closure the team have been working hard to ensure that the site is as safe as possible for the return of our Year 10, Year 12 and keyworker students as well as our staff.

The following PowerPoint should help show you some of the changes that have been made ready to welcome our students back safely.

If you have any questions please email post@lfatsf.org.uk.

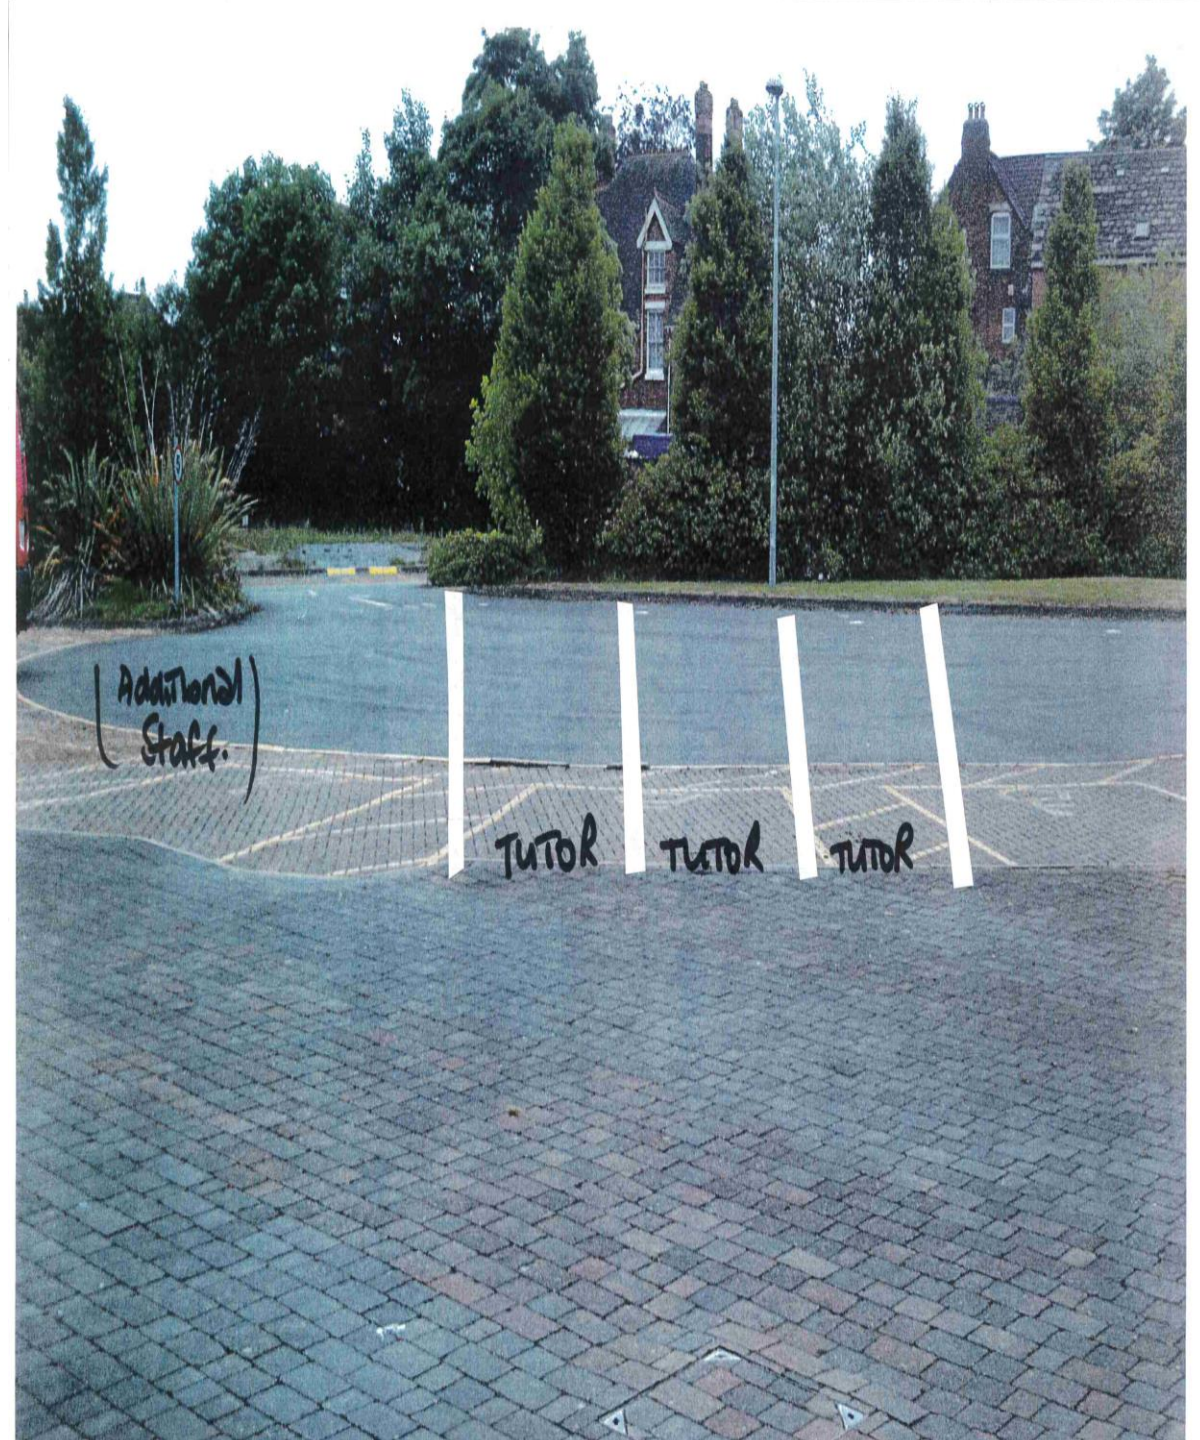

The QEMS/SF Staff

All Year 10/12 students will have personalised invites and allocated to groups.

In the picture you can see the lining up points for three of the Sixth Form groups.

In the event of a fire or need to evacuate this is where our Year 10 and Year 12 students and staff will go

In the event of a fire or need to evacuate this is where our keyworker students and staff will go

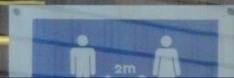

There are barriers around reception and markings on floors to indicate where everyone can stand at 2m distance

Keyworkers students and all staff are to use the main Sixth Form entrance.

Automatic door

Automatic door

Year 10 and Year 12 students
will enter at the back of the
building escorted by
teachers.

One way systems are in place around the building to ensure students move around safely.

Thank you for practising social distancing.

In this room is

Thank you for practising social distancing.

ONE
WAY

Please adhere to
the one way system
that is in place

All classrooms have a maximum of 6 desks in to maintain the social distancing. Students will remain at the one desk for the duration of their time on site.

All doors will be propped open throughout to reduce any contact and increase ventilation

There are cleaning stations around the building for everyone to use.
