### ■ Returning to the Academy in August

Part of the safe return Government guidance is that every student must be offered a lateral flow test at the start of the new academic year and a further test within 3-5 days which will take place during the school day. All parental consent previously given for the testing will be carried forward (if you need to review your consent, please complete form below). You will only be contacted by us if a test is positive. In order to conduct the testing, we need to stagger the return dates for our students - please see end of letter for further details.

Testing - we need to have parental consent for any testing to take place, therefore please complete the form on the link below by 13/08/2021 in order for suitable arrangements to be made.
