

## KLT 1: Causes of WWII

**The Treaty of Versailles** July 1919. Ended WWI and imposed harsh terms on Germany. Germany wanted revenge.

**Reparations:** £6.6billion

**Military:** 100,000 men in the army, no submarines, no air-force, no tanks, the Rhineland to be demilitarised

**Land:** Alsace-Lorraine to France, Polish Corridor to Poland, Sudetenland to Czechoslovakia.

**Blame:** War Guilt Clause meant Germany had to admit full responsibility for starting WWI

**Hitler's Aims:** were aggressive and led to actions that triggered WWII.

**Lebensraum:** Hitler believed Germany should conquered land from inferior races especially in Eastern Europe in countries like Poland.

**Reverse the Treaty of Versailles:** Hitler thought the terms were unfair and wanted to get back the money, land and military taken from Germany.

**United all German Speakers:** Hitler believed that all German speakers should live together in one powerful German Reich.

**Defeat Communism:** Hitler believed that Communism was evil and needed to be crushed this would mean going to war with the USSR (Russia)

### Hitler's Actions:

**STEP 1:** Hitler stopped paying reparations and began to build up his armed forces. In 1935 he introduced conscription (calling up men to the army). This broke the Treaty of Versailles, but Britain and France let him get away with it.

**STEP 2:** Hitler invaded the Rhineland on 7 March 1936. This broke the Treaty of Versailles. It was a bluff – the German army had only 22,000 soldiers and had orders to retreat if they met any resistance. But once again, Britain and France did nothing.

**STEP 3:** In 1938, Hitler took over Austria. First, Hitler encouraged the Austrian Nazis to demand union with Germany. Then Hitler invaded Austria (11 March 1938). This broke the Treaty of Versailles, but Britain and France did nothing.

**STEP 4:** In 1938, Hitler tried to take over the area of the Sudetenland (Northern edges of Czechoslovakia). Neville Chamberlain negotiated and appeased Hitler. At Munich, on 29 September 1938, Britain and France gave Hitler the Sudetenland. On 15 March 1939, Hitler's troops marched into the rest of Czechoslovakia. This, for most British people, was the time when they realised that the only thing that would stop Hitler was a war.

**STEP 5:** In August 1939, Hitler made a secret treaty with Russia. He thought this would stop Britain & France helping Poland. In April 1939, Chamberlain announced the 'Polish Guarantee' - a promise to defend Poland if Hitler invaded (this was the event which ended appeasement). On 1 September 1939, Hitler invaded Poland. On 3 September 1939, Chamberlain declared war on Germany.
