Curriculum overview

Subject	PSHE	Year group	9				
Vision statement:	At Landau Forte our curriculum exists to ensure all students regardless of background and ability have the opportunity to unlock their potential. We are committed to students being challenged from their previous key stage learning experiences. Our broad and balanced curriculum is ambitious, coherently planned and sequenced, and will provide the platform for preparing students with the foundations for examination success.						
	Our Curriculum Intent has been informed by a wide variety of researchers and is steeped in evidence based research. Christine Counsell summarises the aspiration of our curriculum to empower all learners creating a pathway to success in university, their career and life:						
	'A curriculum exists to change the pupil, to give the pupil new power. One acid test for a curriculum is whether it enables even lower attaining or disadvantaged pupils to clamber into the discourse and practices of educated people, so that they gain powers of the powerful.'						
	As well as excellent academic success we aim to ensure our students leave us as polite and well-rounded young adults. Our new core values of Compassion, Courage and Curiosity are currently being embedded throughout our curriculum offer to ensure we continue to meet our social, emotional, spiritual and moral obligations.						
Curriculum intent:	At Landau Forte we are committed to providing a high quality educational experience for all students. Our curriculum determines and underpins the whole ethos of our school and our PSHE ideals are embedded within this. Our PSHE and RSE Curriculum encourages student curiosity by being wide-ranging and carefully planned by ensuring lessons take into account students' age, developmental stage and prior understanding. We encourage compassion by teaching sensitively and inclusively, taking into consideration the background and beliefs of students. We strive to always provide students with an understanding of the law, and legal implications of their actions and encourage them to have the courage to make the right choices. Students complete their PSHE through timetabled lessons, including PSHE, Science and RE, assemblies, extra-curricular activities, tutor time activities and external speakers. The curriculum has been developed in accordance with national guidance and covers 3 key themes, Healthy lifestyles, Living in the wider world and Relationships and sex education (RSE)						
	Quite simply, we aim to ensure that students are prepared for the increasingly complex world w confidence to succeed in all aspects of their lives.	e live in. We aim to equip our students with th	e necessary skills, capability and				
Threshold Concepts (TCs):	 Students will have an understanding of the importance of healthy lifestyles and how t Students will understand their role in the wider world and be more prepared for life b Students will understand the importance of health relationships including consent. Students will understand the advantages and dangers of technology in an ever changi Students will be confident on where to seek help and support both within school and 	eyond the classroom. ng modern society.					

	CURIOSITY	Y	COMPASSIC)N	COURAGE		
KS2 National Curriculum summary:	PSHE is a non-statutory subject to allow for a flexible approach to teaching and learning. PSHE should reflect the needs of the pupils and equip them with the knowledge and skills to make safe, informed decisions. As a minimum students should have an understanding of the following by the end of primary school: Families and people who care for me Caring and respectful friendships Online relationships Being safe RSE – puberty, sex education set out in the science curriculum and beyond if deemed appropriate						
Learner skills:	Critical thinking	Organisation	Collaboration	Adaptability ADAPTABILITY	Oracy ORACY	Self-quizzing	
The Big Question	Term 1 Aug-Oct	Term 2 Nov-Dec	Term 3 Jan-Feb How can we prepare	Term 4 Mar-Apr for life beyond school?	Term 5 Apr-May	Term 6 Jun-Jul	
Big picture questions:	How can we have a healthy lifestyle?	How can we have a healthy lifestyle?	How can we recognise positive relationships?	How can we recognise positive relationships?	How can we prepare for life beyond the classroom?	How can we prepare for life beyond the classroom	
Content (Linked to TCs):	managers?Why is it important to have a growth mindset?	 (TC 1,2,4,5) Drugs – What do I need to know? Why must we be careful with alcohol? Why is selfie-safety important? What is self-harm? 	 (TC 1,2,4,5) What body image issues do people face? Male body image 	 (TC 2,3,4,5) PC focus – What discrimination do the LGBT community face? What is consent? What is safe sex? 	 (TC 1,2,3,5) Pregnancy – what are our options? How can we tell the difference between healthy and abusive relationships? What are young offenders? 	 (TC 2,4,5) How can I avoid debt? How can I successfully manage my money? Consumers and the lav – what are my rights?

We have chosen to sequence the year 9 curriculum like this because we continue to follow a spiralised curriculum embedding the topics covered in years 7 and 8. This involves looking at topics in greater depth and detail and also focusing on the topics that are more mature in theme such as body image issues and self-harm							
Compassion – Students are encouraged to consider and evaluate other points of views and recognise the importance of different opinions. Students are encouraged to become aware of their own moral compass when discussing challenging topics. Curiosity – Encouraging students to ask questions, of the topic, and of themselves. Courage – students are encouraged to discuss challenging topics and have the courage to form their own opinions.
